Spokane Valley, WA 99216

Dear Business Manager,

Continuous Curriculum School (CCS) is a school unlike any other in the greater Spokane area. CCS is a choice school in the East Valley District that operates on a year-round schedule. Created over 10 years ago by a collaboration of parents, administrators and teachers, CCS is a place where students are encouraged to reach their potential, not only in school, but in life, by teaching them the importance of personal responsibility. Students serve as peer mentors and take an active role in defining their own educational goals. The academics and social environment provided by CCS are highly regarded in our community and students who graduate from CCS enter high school ready to meet the academic challenges needed to excel in college and beyond. These innovative methods and hands-on teaching techniques have proven very successful, with CCS repeatedly recognized as one of the top performing schools in the state.

As a public school, CCS is provided funds that cover basic educational needs. The staff excels at stretching the provided resources to make the learning environment fun, exciting and engaging. Unfortunately, those funds are inadequate to provide the supplemental resources and the enriching educational experiences that help prepare our students for success.

In order to address this financial shortfall, our Parent Teacher Student Association, a 501(c)3 nonprofit organization, hosts an annual auction. The funds we raise at the auction help cover the cost of field trips, improved technology tools and other resources that allow students to develop and enhance their skills. We hope that you will choose to make a donation to our auction. The value of your contribution is tax deductible and a receipt will be provided. Donations can be mailed to the address above or you may call and a member of our committee will pick the item up at your place of business.

Our procurement coordinator can be contacted at the above e-mail address or you may call the school to leave a message if you have questions or would like to request a pick up.

We hope that you will choose to make a donation to our event, which is scheduled for March 10, 2012.

We hope to hear from you soon.

Sincerely,
